Tarzana, CA 91356

Dear Mr. Ron Towers:

Please accept the deep appreciation of the members of your extended family at Yad B'Yad Organization for the wonderful work you did in producing our annual program brochure.

This is the first time the brochure was produced in color. The response so far has been incredible. You are extremely creative and talented to say nothing of your graciousness.

With very best wishes,

Sincerely,

Limor Gelbart  
Secretary
