Tarzana, CA 91356

Dear Ken,

I would like to take this opportunity to tell you what a good job Ishay is doing for us. Our computer system was in a pretty sad state of affairs and his expertise has solved most of our problems. He is a very polite and conscientious worker and his professionalism bodes well for your company. As we increase and develop a need for more technical assistance, we look forward to working with Ishay.

Sincerely,

Craig Cohen
