Dear Mr. Borenstein:

I appreciate the fine work done by your company and your technician, Ishay. You honored your contract time wise, price wise and commitment wise. We had very few problems and those that we did have were dealt with expeditiously and resolved to our satisfaction very quickly. My staff and I found Ishay to be extraordinarily competent, knowledgeable and thorough. We hope to do business with you for many years to come.

With much appreciation.

Sincerely,

Richard Weisinger
